UNDERTAKING

All information provided by us for the purpose of corporate registration with National Fire Protection Associates Pakistan (NFPAP) is true, correct, and complete to the best of our knowledge.

We undertake to support and assist NFPAP in all its lawful activities for the welfare and improvement of the fire and safety culture in Pakistan. That we shall ensure the representation of our company at meetings, discussions, and events organized by NFPAP. We shall not misuse the name, platform, or identity of NFPAP, whether directly or indirectly, for any promotional, marketing, commercial, bidding, or project execution purposes. We further agree to strictly follow all rules and policies of NFPAP.

In the event of any violation of the terms of corporate membership, NFPAP shall have the authority to cancel our registration after issuance of one show-cause notice, and in case of an unsatisfactory response, the decision of the NFPAP Management Committee shall be final and binding. We shall not raise any financial or other claims in such circumstances.

We shall promptly notify NFPAP of any changes within our company, strive to maintain good relations with other members, and in case of any dispute or issue, we shall lodge an official complaint with evidence to the NFPAP Management Committee and accept its decision as final. We hereby affirm our sincere intention to abide by this undertaking.
